

DRAWER KIT ASSEMBLY: "L" UNIT

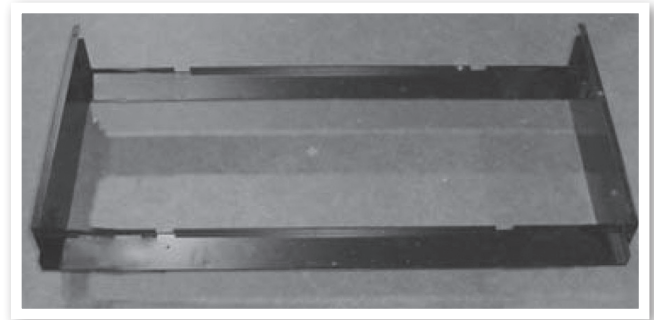

Slatwall shown is optional

PARTS:

2C (2)

dA (1)

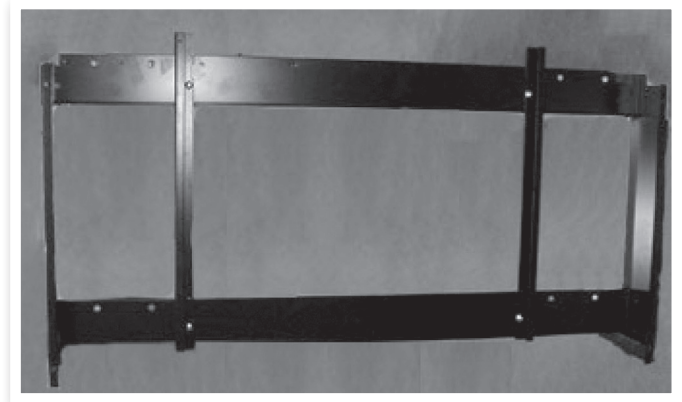

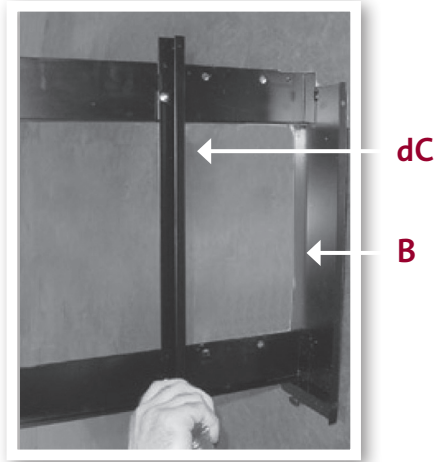

Base from "L" Unit (B)

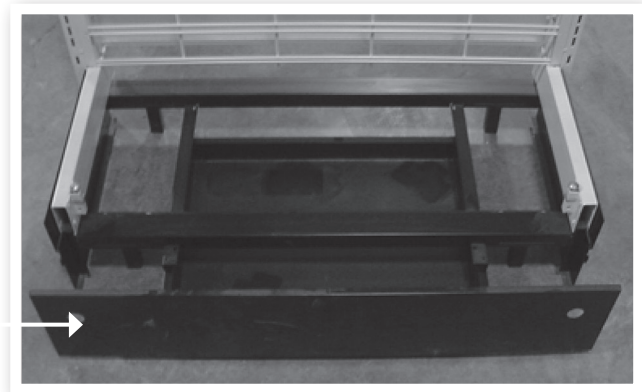

dB (4)

1. Using Screws (dB), attach Drawer Tracks (dC) to the inverted Base (B).

2. After Drawer Tracks are secured to the base, complete steps 1-4 in the Basic "L" Unit Assembly Instructions.

3. Instead of attaching the kickplate in step 5 of the Basic "L" Unit instructions, slide Drawer (dA) onto drawer tracks.

4. Finish completing unit according to Basic "L" Unit Instructions.

Your Drawer Kit is complete.
To open drawer, use round finger pull holes on front panel.

Finger Pulls
